SUBJECT: Jaguar Land Rover Englewood											

Jaguar Land Rover North America proudly announces the recent completion of the Jaguar Land Rover Englewood ARCH facility. Congratulations to Penske Auto Group and the entire team at Jaguar Land Rover Englewood.

Dealer Principal: Robert Miller
 Centre Manager: Ron Haro

Facility Information:

Address: 30 Van Nostrand Ave, Englewood, NJ 07631
 Building Size: 40,000 Sq Ft
 Showroom Display: 12 Vehicles
 Service Bays: 20 Service Bays

Notable Features:

Jaguar Land Rover Englewood is a renovation of a former VW dealership and is strategically located near other luxury brands (Audi & Lexus) with direct access to the heavily travelled US Route 4 Highway. With over 40,000 sq.ft., Jaguar Land Rover Englewood has established a major presence in a lucrative market. This project also features an offsite vehicle preparation facility that includes a 130,000 sqft facility with 450 indoor parking spaces and 150 outdoor parking spaces.
