SUBJECT: Jaguar Land Rover Flatirons											

Jaguar Land Rover North America proudly announces the recent completion of the Jaguar Land Rover Flatirons ARCH facility. Congratulations to Randy, Ed and the entire team at Jaguar Land Rover Flatirons.

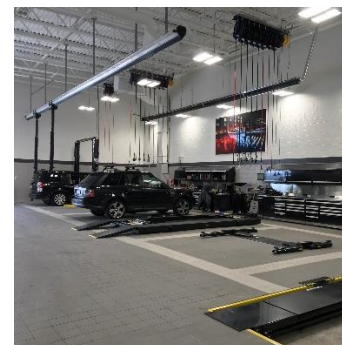

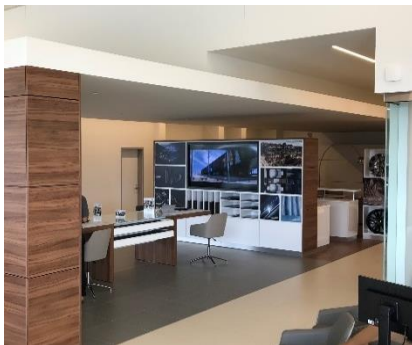

Dealer Principal: Randy Nichols
Centre Manager: Ed Dobbs

Facility Information:

Address: 11420 Via Varra Broomfield, CO 80020
Building Size: 35,000 Sq Ft
Showroom Display: 10 Vehicles
Service Bays: 19 Service Bays

Notable Features:

This facility is strategically located at the intersection Via Varra and the very busy Northwest Parkway attaining high visibility. This is the first US ARCH facility to feature the new Personalization Studio which includes the new configuration table and samples for customizing Jaguar and Land Rover vehicles.
